

experience true inner  
peace...

Be nurtured  
in NATURE.

Open up all your senses and free yourself on the dock of your own private preserve...where beautiful water birds entertain you. Vassa will be delighting you you the Shirondoa essential oil treatment... opening your chakras. See the graceful water turtles swimming by and watch the otters frolic along the tiny island edges. This is a living meditation experience bringing you into your core self and connecting to who you are today.

Begin your mornings with tea and yoga on the end of the dock while the sun rises over the pristine lake. Be a part of a very special bird sanctuary... blend into nature while clearing away what you need to and let Vassa lift anything negative away.

Enjoy an incredible unique experience as you walk inside the sacred Labyrinth...where you go deep inside yourself.

This is a way to really clean and clear your past ...allowing your future life to become illuminated.

Feel new energy and a clearer mind.

Connect deeply with the energy of transformation. Become nurtured inside the arms of this giant mermaid...gazing into the lake and realizing that the next part of your life can be shape-shifted into something totally different...and that you have the inner strength to form this new way of seeing and feeling and being. Become engaged with this powerful Mother water energy and transform the future of your destiny path.

Go deeper  
inside  
yourself  
connecting  
with the  
stone  
spiral  
Destiny  
ceremony.

Re-energize... inside the sacred copper pyramid and elevate  
your level of being on your true destiny path.

Open yourself inside the ancient  
Agnihotra fire...to connect with your  
ancestors...really feel their support.

*Enjoy your stay inside the garden home just completed this year.*

*Two bedrooms, large open kitchen...big private bath and all open to garden views.*

*Sit out on the deck off the kitchen...to enjoy a meal among the flowers...trees and butterflies.*
